# About Autopia

Established in 1987, Autopia Tours offer some of Australia's most unique, entertaining and interactive tour experiences with a mix of natural beauty, wildlife, adventure, culture, and foodie delights. Showcasing the extraordinary diversity of Melbourne, regional Victoria, New South Wales (NSW) and South Australia (SA), it is our aim to provide customers with memories that excite and last a lifetime.

Autopia is a multi-award-winning company internationally recognised as market leaders in small group adventure travel. Autopia Tours operate tour maximum of 24 in comfortable air-conditioned vehicles, hosted by highly experienced and informative driver/guides. We offer a range of hand-picked partner operated experiences across Australia.

→ Maru Koala and Animal Park are Zoo Aquarium Association accredited and demonstrate a strong commitment to best practice, visitor education, positive animal welfare regulations and standards. Proceeds from the sale of animal feed and koala photos, help fund their animal hospital which rehabilitates sick and injured wildlife.

*Tour: Penguin Parade & Koala Highlights*

→ Indigenous Australian culture is one of the oldest surviving cultures on Earth and something we should be celebrating. A visit to Brambuk Aboriginal Cultural Centre not only offers guests a unique experience, it also helps support these local communities in their mission to conserve and present the indigenous culture of the Gariwerd region. This centre is also owned operated by the local Indigenous community.

*Tour: Grampians Great Escape*

→ The Koala Clancy Foundation is a not-for-profit association who are passionately working towards revegetation and conservation of Koala habitats in You Yangs Regional Park.

Part of the proceeds from all mountain bike tours sales, go straight to the Koala Clancy Foundation to help with revegetation and in addition attended tree planting days.

*Tour: Mountain Bike & Bush*

→ The World Wildlife Foundations collaborative partnership with Phillip Island Nature Parks mission is to prevent the natural environment from degradation and raise awareness for sustainable living. Guests can help support this mission if they undertake the Antarctic Journey experience at the Nobbies on our Phillip Island tour.

## Responsible Travel Initiatives

Australia is a special place and we are privileged to have such a pristine landscape and a unique culture to share with our guests. We believe these wonders should remain unspoilt for all to enjoy, that's why we have made a commitment to operate in a responsible manner giving back where we can to make a real difference.

We want our tours to produce not only a beautiful experience for our guests, but to contribute towards the preservation of those assets for future generations.

This is why, we increased our commitment to become a sustainable ecofriendly business by implementing responsible travel initiatives, such as completely offsetting our transport emissions in 2017, upgrading our offices to become as energy efficient as possible and locally sourcing a carbon neutral business for all our printing needs.

Our commitment doesn't just stop at the office, partnering with our local council conservation group to reclaim valuable wetland, and incorporating responsible providers for our tours to provide educational experiences.

Australia isn't just about amazing scenery and wildlife, we also have a rich indigenous culture. We believe guests should have the opportunity to learn about the traditional land owners whilst exploring our great country.

### HOW TO DONATE:

We encourage travellers to offset their carbon emissions during the online booking process. All proceeds raised are donated to Greenfleet Australia supporting local plantation projects.

12 Apostles, Great Ocean Road

Experience the Great Ocean Road and 12 apostles without the crowds! By operating this tour in reverse, we avoid the tourist masses by arriving at the 12 Apostles mid-morning giving passengers a better photo opportunity. This reverse itinerary visits the same key destinations and highlights as our standard Great Ocean Road tour, so rest assured you won't miss a thing.

Traveling inland via Colac, we reach the Shipwreck Coast to see the breath-taking 12 Apostles rock formations and Loch Ard Gorge before lunch. We visit the viewing platform at London Bridge, for great views of the Southern Ocean and famous collapsed archway rock formation. Explore Australia's most spectacular coastal drive, stretching 242 kilometres of Heritage Listed natural beauty, dramatic clifftops, towering rainforests, world class surf beaches and Memorial Arch. Spot wild koalas as the sunsets behind the mountains before returning to Melbourne.
